## Medical Adhesive Remover Spray

---

### **Product Description**

Appeel Sterile No Sting Medical Adhesive Remover Spray is a no sting healthcare-grade silicone fluid which aids the removal of stoma pouches and other adhesive appliances from the skin. Use of the product helps to reduce skin stripping and peri-wound trauma and pain caused by the removal of adhesive appliances. Appeel Sterile No Sting Medical Adhesive Remover Spray helps maintain skin integrity whilst assisting quick and easy appliance removal. It is fast drying, leaving no residue on the skin, which allows adhesive appliances to be re-applied shortly after use.

### **Indications for use**

Appeel Sterile No Sting Medical Adhesive Remover Spray is indicated for use on intact and injured skin, facilitating the quick and easy removal of stoma bags and other adhesive appliances. This product may be used on adults and children.

### **Contraindications**

Appeel Sterile No Sting Medical Adhesive Remover Spray is not intended for direct use on broken skin. If in doubt, patch test a small area prior to use.

### **Caution**

Use only as directed. For external use only. Allow product to evaporate completely before covering. Sterile device. Do not use near eyes, ears, nose, or mouth. Avoid direct inhalation or use in enclosed spaces. May not be suitable for use on babies under 30 days old.

### **Instructions For Use**

1. Skin should be clean and dry prior to application.
2. Spray Appeel® Sterile No Sting Medical Adhesive Remover Spray around the edge of the adhesive appliance to reduce skin trauma.
3. Wait a few seconds, then gently peel adhesive appliance away from the skin using additional spray to ease removal, if necessary.
4. Dries in seconds. Allow to evaporate completely before covering. Once dried Appeel Sterile No Sting Medical Adhesive Remover Spray will not affect adhesion of further appliances.
